To Whom It May Concern:

### **Notice of Compliance to Current Good Manufacturing Practice**

The Sonneborn, LLC - Petrolia Plant is a manufacturer of USP/NF White Mineral Oils, USP Petrolatums, and NF Microcrystalline Waxes that are used in various food, personal care, and pharmaceutical applications. These products are produced to meet strict requirements of purity and quality, within a system complying with the requirements of the Food and Drug Administration's Current Good Manufacturing Practice (cGMP) as described in the Q7A Good Manufacturing Practice Guidance for Active Pharmaceutical Ingredients.

Petrolia's long-established compliance to cGMP has been confirmed over the years by outside agencies such as the FDA and various pharmaceutical customer cGMP audits.
